PICKREL
SCHAEFFER AND
EBELING

A Legal Professional Association

Don has over 50 years experience assisting clients with estate planning, and trusts that best suits their needs.

With his estate planning experience, Don works with clients of all ages to assure the clients' intentions are carried out in their estate plans. This includes advice on issues that have to do with tax, business, legal, and long term care. Don also effectively and efficiently administers probate estates for families, easing their stress during highly emotional times.

When families are faced with the need to appoint a guardian for a loved one, Don assists in administering the guardianship proceeding in Probate Court. He also advises the guardian about compliance issues on an ongoing basis.

Don also has experience working with families facing disability issues. He creates various Trusts for disabled clients to help preserve family assets from exorbitant medical bills, while allowing the family assets to remain available for the benefit of the disabled person.
